

HUMBOLDT BAY FIRE CERT NET SCRIPT

QST, QST, QST, this is (**Insert your name and call sign.**) Net Control Station for the Humboldt Bay Fire Community Emergency Response Team Net.

The CERT Net meets on the second and fourth Thursday of each month at 1930 hours local time.

The purpose of this net is to facilitate communication between CERT Team members and to provide informal amateur radio communication training.

All Amateurs are cordially invited to check in and visitors will be called following roll call of CERT stations.

Is there any emergency or priority traffic for the net?

(Pause for any traffic.)

If anyone has any emergency traffic during the net, please break in with your call sign and we will do whatever we can to help.

Are there any mobile stations wishing to check in?

(Pause for any mobile stations.)

Are there any announcements for the Net?

(Pause for any announcements. If you wish to quiz or poll the net as a training tool, do so at this point and summarize or discuss the results following visitor check-ins)

Roll call of CERT stations follows.

(Call stations on the roll, pausing for stations to respond and acknowledging check-ins.)

That is the list as I have it. Are there any late or missed stations?

(Take late check-ins.)

HUMBOLDT BAY FIRE CERT NET SCRIPT

Are there any visitors for the Net?

(Take visitor check-ins.)

Is there any additional traffic for the NET?

Last call, late missed or visitors?

(Take any late check-ins.)

This is **(Insert your call sign here)** Net Control Station for the Humboldt Bay Fire CERT Net closing the net at this time and returning the frequency to normal Amateur use. Thank you all for checking in.

(Insert your call sign here) clear.
